REMARKS

Election/Restriction

Pursuant to 37 CFR 1.143, applicant hereby elects without traverse the invention described as "Group I" on page 2 of the Office Action. Group I covers claims 1-18. The examiner will accordingly withdraw the other claims for the time being. If a generic claim is eventually granted that encompasses the withdrawn claims, Applicant reserves the right to bring the withdrawn claims back into the application.

CONCLUSION

For all of the above reasons, Applicant submits that the claims all define patentably over the prior art. Therefore Applicant submits that this application is now in condition for allowance, which action they respectfully solicit.

Respectfully,

John A. Galbreath
